## NAUMBURG FAMILY

Extract of ancestral chart compiled by Rolf Hofmann by using results of fellow researchers. The surname "Naumburg" may derive from the village "Naumburg an der Saale" or even from the tiny village "Naumburg am Bober" (?) close to Glogau in Silesia, which before 1742 was austrian, then prussian, since 1871 part of the German Empire and now belongs to Poland. "Glogau" became "Glogow" and "Naumburg am Bober" became "Nowgorod Bobranski" in polish language.
