adidas[®]
GROUP

GRADUATE SAP UNIVERSITY (m/f)

Being part of the adidas Group means being part of some of the most recognizable sporting brands in the world – adidas, Reebok, Taylor Made, Rockport, Maxfli.

- adidas Group stands for “**Performance, Passion, Integrity and Diversity**”; Sport is what links our past and present; Sport is what points our way towards the future
- adidas Group is amongst the **500 biggest companies** globally; We have **more than 26,000 employees** worldwide; More than 50 nations are represented at our Global Headquarters – in Herzogenaurach, near Nuremberg, Germany

To strengthen our teams we are looking for motivated **graduates** who want to kick off their career in our special “**SAP University**” training program.

Within this **12 – 18 months program** you will grow on the job. Specifically designed training on our most important SAP modules will deepen your SAP skills and knowledge. In actual projects you will grow in a SAP Champ role to provide best services to our internal business customers. You will have continuous support and mentoring from Senior Management and HR during this time.

Interested?

Please send your online application to our career centre on our homepage by 30th of June.
