

### Terms of use for Bus & Train

1. The VRM-Gästeticket is valid only for local public transport of the VRM (in 2nd class train carriages – not in Inter City or Inter City Express trains).
2. The VRM-Gästeticket is only valid when fully completed (the name and the place of residence of the guest must be entered along with the arrival and departure date).  
If the departure date has not been decided on in advance, your host will enter the expected date of your departure. If you should stay longer than expected, you will receive a new VRM-Gästeticket.  
Subsequent changes to the VRM-Gästeticket make it invalid for any use as an authorisation to public transport.
3. The VRM-Gästeticket is valid for passenger transport. The transport of bicycles is free of charge on weekdays after 09:00 and all day on Sundays and public holidays – insofar as the capacity of the trains or buses allows it.
4. The relevant tariff regulations of the Rhein-Mosel (VRM) transport association relating to the transportation of animals apply. If they are carried in closed boxes transport is free, otherwise a reduced single ticket must be purchased for the respective travel distance.
5. For more information, please contact your host at the local visitor centre or visit [www.vrminfo.de](http://www.vrminfo.de).
