1 Herb Garden and Flower & Herb Market

The herb garden is located at the entrance to the lower castle. It represents a typical medicinal herb garden of the early Middle Ages. At that time, small beds of herbs were cultivated for their healing properties.

At the lower castle, many vendors await you with their flowers, herbs, spices, essential oils, teas, liqueurs, sweets, soaps, and decorations.

2 Primeval World Museum GEOSKOP

- Ongoing exhibits about the Palatinate's Prehistory some 300 million years ago; handicap-accessible
