

RUHEPUNKT

The image shows the interior of a church, likely St. Johannes Mußbach, during a performance or event. The space is characterized by its high, vaulted ceiling and a series of tall, narrow, arched windows. The lighting is dramatic, with a mix of blue, purple, and red hues. In the center, there is a large, illuminated cross on the wall above an altar area. The altar is lit with a bright red light, and a figure, possibly a statue or a person, is visible on it. The floor is dark, and the overall atmosphere is one of quiet intensity and artistic expression.
